

Sports Floodlight

LXSP300W

Features:

- High lumen
- Easy combination
- Adjustable module
- IP66 & IK10
- 5YR Warranty

Areas of application:

Large stadiums, Sports fields, Tennis court, Golf course, Airports, Parking lots, Terminals, Power stations, Commercial parks etc.

	Energy saving up to 80%
---	--------------------------------------

	Long service life 50000 hrs
---	---------------------------------------

	Maintenance long life Free
